

Don't get lost in the
details:
It's always about
Real Love.

The background of the slide features a soft-focus image of several purple daisy flowers with bright yellow centers. The flowers are arranged in a way that they appear to be in the foreground and middle ground, creating a sense of depth. The overall color palette is a mix of purples, yellows, and light greens.

A relationship is the
natural result of people
making independent
choices.

The Law of Choice

Everyone has the right to choose what they say and do, even when I don't like their choices.

The Law of Expectations

I don't have the right
to expect anybody to
do anything.

If I believe that someone makes me angry, I give that person the power to utterly control my happiness.

As I find more Real Love—from
any source—my Getting and
Protecting Behaviors disappear.

As I love other people, *their*
Getting and Protecting Behaviors
tend to disappear too.
